The Foundation was created in 2012 for the purpose of providing a charitable means of funding the professional growth and development of local and state peace officers. The dynamic complexity and uncertainty of contemporary law enforcement has evolved into a turbulent state that requires advanced training in operations and safety. The funds raised from this tournament will provide advance training for peace officers on April 4<sup>th</sup> and 5<sup>th</sup> and September 9<sup>th</sup> through 12<sup>th</sup> at St. Simons Island.
